

To Our DZ Friends, Family & Guests

In consideration of the CDC's most recent Mask Guidance and Governor Cuomo's new Mask Mandate for New York State, DZ Restaurants is adjusting the mask policies inside our three restaurant locations.

Beginning Wednesday, May 19th, guests of Chianti Il Ristorante, Forno Bistro, and Boca Bistro who are fully vaccinated are no longer required to wear masks while in the restaurants.

Guests who are not considered fully vaccinated will still be required to wear a mask when entering or exiting the restaurant or utilizing the restrooms. Masks for all guests, however, may be removed when sitting at tables or at the bar.

We are confident in the integrity of our guests to follow these guidelines and will not be requiring proof of vaccination.

Revised mask mandates notwithstanding, the safety of our team members, their loved ones, our patrons, and our community will always be our top priority and we will remain resolute in our efforts to keep our restaurants safe.

All employees will continue to wear masks, tables and floor plans will stay socially distanced, separation barriers will remain in place, and we will proceed to follow the recommended capacity and cleanliness guidelines as we have for the last year.

We are grateful for your support, your confidence and your trust in us to keep you safe and healthy when at our restaurants. We look forward to serving you and seeing you again.
